Message from the Statewide Assessment Office

The Assessment Office wants to thank the district staff members for your patience about receiving information concerning the public release of the 2015-2016 NeSA data. The September NeSA release will **not** include disaggregated data. Disaggregated data are embargoed. A new public report is being developed by NDE to replace the State of the Schools report. The release is tentatively planned later this fall and will include disaggregated assessment results.

2016-2017 Staff Reporting – DUE DATE: TODAY – September 15!

Contact: NDE Helpdesk (888-285-0556 or nde.helpdesk@nebraska.gov)

The 2016-2017 Staff Reporting collection opened Monday, August 8. State statute requires Public Districts and NonPublic Systems to submit a Fall Personnel Report by September 15. The NSSRS Staff Reporting data collection is located under the “Student & Staff (NSSRS)” tab in the portal. Special Purpose Schools (State Operated), Education Service Units and Interim Programs (Rule 18) should report during this timeframe as well. Options for submission are online entry and upload. Staff Reporting Instructions are available https://www.education.ne.gov/nssrs/docs/STAFF_INSTRUCTION_MANUAL_20162017.pdf. Appendix A in the Staff Reporting Instructions details the changes that were made since 2015-2016.

When completing the Staff Reporting 2016-2017, double check to make sure the email addresses are correct for each staff member that is required to have one. If a correction is made to the email address that NDE had in Staff Reporting, have the staff member log into their portal account under the “My Profile” tab and verify if their email address is correct, or have them update it. NDE uses the email addresses from Staff Reporting and the Portal for communications so keeping them current is very important.

Parents who choose to home school must file for exempt status under Rule 13 for students who are of compulsory school attendance age. A report of acknowledged exempt schools is provided to the superintendent of the resident school district via email from the Exempt School Program Office. Exempt School information can be viewed at <http://www.education.ne.gov/FOS/OrgServices/ExemptSchools/Index.html>.

If these students go to a public school for any classes, the public school district can enroll the students as part-time students under Neb. Rev. Stat. 79-2,136. The district will have to report data on the student in NSSRS as detailed in Who Reports What (<https://www.education.ne.gov/nssrs/docs/Who%20Reports%20What%2012-22-15.pdf>), Item "N" or "O" detail the reporting requirements for part-time students depending on the student's FTE.

For Home school students in Grades 9-12 attending a public district part-time. The USDOE High School Graduation Rate Non Regulatory Guidance Education <https://www.education.ne.gov/nssrs/docs/hsgrguidance.pdf> A-24 and A-27 indicates a district may transfer out a student to the home school if the state has documentation the student is being home schooled. The Rule 13 process provides this documentation for students under age 18. For students 18 and over: NDE's guidance is for the school district to maintain written documentation from the parent verifying the student is being home schooled or will continue to be homeschooled. This will comply with the Non Regulatory Guidance referenced above (A-27) regarding proper documentation.
